

# Throw It Deep Quarterback/Receiver Academy at Quarry Fieldhouse.

Throw It Deep has been teaching proper football skills training for young athletes all over the country for several years. The Quarry Fieldhouse has partnered with Throw It Deep and Jeff Christensen, an 8 year NFL quarterback, NFL great Steve Deberg , who passed for 35,000 yards and former Illini great Jack Trudeau. They are committed to teaching proper quarterback and receiver skills to young men as they greatly increase their overall knowledge of football.

Ex Chicago Bear Tim 'TK' Ehlebracht, a former high school coach with 2 state championships and a group of receivers he mentored who caught over 200 touchdowns over a 6 year span, is a tremendous fundamental teacher of how to run a correct pass routes and catch the pig skin properly. This includes all ball catching positions: wide receivers, running backs, tight ends, linebackers and defensive backs.

Throw It Deep is very excited to announce the addition of current Chicago Bear quarterback Bret Basenez and former Chicago Bear/Minnesota wide receiver Marcus Robinson. These men were and are both students and current instructors of Throw It Deep QB/WR Academy driven to help young men play football in a fundamentally sound manner. Both Bret and Marcus are committed to instructing at various camps and times, which will be announced in the near future.
